

## Daily Challenge Day 21 Sea Art

Find 4 different paintings of the sea that you like.

Talk about the different colours and patterns you can see.

Are they realistic or abstract? Which do you prefer?

Focus on the colours. Choose one main colour such as blue to represent the sea.

Experiment with making as many different 'hues' of blue as you can:

1. Start by painting a line of white at the top of your page.
2. Add a tiny drop of blue to the white paint on your palette and paint another strip.
3. Continue adding tiny amounts of blue...
4. Now try a different way to paint a sea. Be brave and have a go - there is no right or wrong way. Experiment with creating waves and adding different hues of colour.
