

Daily Challenge Day 23 Make a Tree of Birds

1. Using the largest piece of paper you can find, draw a tree.
2. Start with a pencil and draw a trunk, then add branches.
3. Paint the trunk and branches.
3. For the leaves, you could use crayon or dabs of paint.
4. Now to add the birds. You have a couple of choices here. You could find pictures of birds, cut them out and stick them on to your tree. Or you could print an outline and colour them in and stick them on. Or draw your own birds.
5. Label the birds using the bird identification chart from Days 21 or 22.
