

Daily Challenge Day 24 Make a 3D Pond Scene

You will need:

shoe box or cardboard for the base

paper

glue

scissors

colouring pencils/felt-tips/crayons/paint

Instructions:

1. Create your background.
2. Go on a hunt for materials inside and outside that you could use such as moss, stones, gravel, fabric.
2. Research insects found in and around ponds.
3. Try drawing or making models of insects to add to your pond.
